

# Yosief G. Hailay

## COMPUTER SCIENCE PROFESSIONAL

### Experience

**2021 - 2023**

Natom Information Systems

#### **DATABASE SPECIALIST**

Leveraging a comprehensive understanding of database systems, I have successfully managed and optimized data structures, ensuring efficient retrieval and storage processes. My role involves designing, implementing, and maintaining robust databases, contributing to the seamless functionality of the organization's information systems.

**2019 - 2020**

Natom Information Systems

#### **FULL-STACK WEB DEVELOPER**

As a seasoned full-stack developer, I have actively participated in the end-to-end development of dynamic and responsive websites. My proficiency spans both front-end and back-end technologies, and I have a proven track record of delivering high-quality, user-centric solutions within deadlines.
